

HARVEST HEIRLOOMS

WHEN IT COMES TO HEIRLOOM TOMATOES, TIM JOHNSTON SAYS A LITTLE IS GOOD, MORE IS A LOT BETTER

Photos by Veronica Weber/The Almanac

By Jane Knoerle
Almanac Lifestyles Editor

Tim Johnston calls his heirloom tomato garden “an obsessive labor of love.” He’s been growing tomatoes since 1986, but for the last eight or nine years, it’s been strictly heirloom. He’s now growing 62 plants, featuring 53 different varieties, in his Menlo Park garden.

Tim keeps a journal showing the location of each tomato in the garden, be it ‘Brandywine,’ ‘Cherokee Purple,’ ‘Watermelon Beefsteak,’ or ‘Black Zebra.’ The dates of planting are listed. For example: Plants 1 to 53 went in May 4. The last plant — No. 62 — hit the dirt June 1.

The care and feeding of the heirlooms are neatly recorded: The plants received two aspirin on May 19, while tomatoes planted May 20 and 22 received two aspirin *and* a cup of worm castings in their planting holes. Tim says he found out about using aspirin on the Web site of Love Apple Nursery in Ben Lomond. “It gives them a jump start,” he says.

Tim uses no pesticides and fertilizes his plants with fish emulsion and liquid seaweed. He also uses coffee grounds, which he cages from Peet’s Coffee in Menlo Park. “That’s my hangout,” he

adds. He buys non-toxic fertilizer from local nurseries.

The heirlooms are heavy feeders. “I fertilize them every three or four weeks,” he says. “The fun of heirlooms is they’re not really predictable. They’re more demanding and finicky.”

White flies and fungus disease are the bugaboos of the heirloom garden, says Tim, although occasionally he has to chase away a squirrel. His plot, measuring 30 feet by 30 feet (900 square feet), is located three doors from his home in the Allied Arts area. The garden is at the back of the house where Tim grew up. It is still owned by his father, Lawrence P. Johnston.

Tim’s journal includes a weekly entry on how the garden is doing. He writes of a mishap occurring June 2 when “Callie (his dad’s golden retriever) dug and uprooted ‘Nebraska Wedding.’ Replanted, watering and am hoping it revives.” A few days later, we learn ‘Nebraska

Wedding’ is making it.

Tim visits the garden every other day, puts in a couple of hours on Saturdays, and deep waters once a week. On June 29, he and his wife, JoAnn, left for a three-week vacation at Lake Tahoe. When the temperature hit the 100s on July 9,

he fretted over the tomatoes, calling his dad from the lake to do some extra watering.

The plants were “in pretty good shape” when he returned July 20 and he was able to harvest 14 varieties of heirlooms, including ‘Chocolate Cherry’ and ‘Polish Giant.’

This month Tim’s garden will be at its finest. What will he do with the harvest? “We’ll eat them all the time and give them away to neighbors, at the office, or at Peet’s,” he says.

Three years ago, after Hurricane

See **HEIRLOOM TOMATOES**, page 27

Tomato and Provolone Tart

Adapted from “*The New Vegetarian Epicure*”

Pastry dough

- ½ lb. butter (chilled so it is very firm)
- ½ lb. cream cheese (chilled so it is very firm)
- ¾ teaspoon sea salt
- 1 teaspoon crushed dried rosemary or thyme (rosemary preferred)
- 2 cups white flour (more for rolling out)
- 3 tablespoons cold white wine (the colder the better, maybe add ice)

Topping

- 1 tablespoon extra virgin olive oil
- 3 tablespoons Dijon mustard
- 4-5 ripe, but firm, medium-large heirloom tomatoes (I mix ‘Cherokee Purple,’ ‘Brandywine’ (red or yellow), ‘Pineapple,’ ‘Rainbow’ or ‘Aunt Ruby’

German varieties. The color combinations are stunning.)

Sea salt, as needed

- 4 oz. grated provolone cheese (real Italian)
- 3 tablespoons thinly sliced fresh sweet basil leaves
- Freshly ground coarse black pepper

Cut butter and cream cheese into chunks. Don’t let them sit too long or soften. Using a food processor or two forks, combine them with the salt, rosemary (or thyme) and flour. Blend until the mixture has a dry and crumbly texture. Sprinkle in the white wine, a little bit at a time, and blend until the pastry forms and holds together. Shape the pastry into a thick rectangle, wrap it well, and chill in the refrigerator for one hour.

On a lightly floured board, roll the

pastry out to a 14-by-18-inch rectangle about 1/4-inch thick. Brush olive oil on a 12-by-16-inch cooking sheet with edges. Fit pastry into the pan, folding it up against the edges. Trim away excess.

Prick pastry here and there with a fork, then bake in a 375-degree oven for 25 minutes or until a light golden brown. Let cool slightly.

Brush pastry evenly with Dijon mustard. Arrange tomato slices over the mustard, alternating different varieties, and overlay slightly so they’re not lying completely flat on the pastry. Sprinkle the tomatoes with a touch of salt and grated provolone cheese, add sliced basil leaves. Grind on a little black pepper.

Bake tart again at 375 degrees for about 20 minutes or until cheese is bubbling. Let tart cool for only a few minutes, then cut into 2-inch squares while still warm.

Serves 10-12 as a first course, 20 or more as part of a buffet.

Help *The Almanac* reduce its carbon footprint.

In an effort to reduce our carbon footprint and eliminate use of the ubiquitous blue plastic bags, *The Almanac* is beginning a campaign to return the paper to mail delivery. And we need our readers' help.

In order to meet postal regulations for the periodical rate, more than half of the 18,000-plus households currently receiving *The Almanac* must request the paper and can do so by going to our Web site, www.AlmanacNews.com/request, or by calling our office at (650) 854-2626. If you get a recorded message, please enter 100 and leave your name, address and phone number. Either way takes only a minute, and will ensure that readers receive convenient home delivery of the paper for as long as they wish.

The switch to mail delivery will go into effect only after 9,000 or more households have requested the paper. Readers requesting the paper must be in *The Almanac* area ZIP codes of 94025, 94027, 94028 or 94062, as well as P.O. Boxes in 94026.

Publisher Tom Gibboney said he is excited about the prospect of offering mail delivery.

Using the mail, *The Almanac* will lower its carbon footprint by piggybacking delivery with the postal service and eliminating an extra carrier trip around the route.

Please help us eliminate plastic bags and reduce our carbon footprint by signing up now to request mail delivery of the paper. Just visit our Web Site, <http://www.AlmanacNews.com/request> and fill out the form. Or call us at **650 854-2626**.

Tim Johnston is growing 53 varieties of heirloom tomatoes in his Menlo Park garden.

HEIRLOOM TOMATOES

continued from page 25

Katrina, Tim set up a little stand at Fremont Park on Santa Cruz Avenue and sold \$150 worth of his home-grown tomatoes, donating the money to hurricane relief. His daughters, Caitlin and Allison, say he should open a stand at the Menlo Park Farmers Market.

Some of this year's tomato crop will go into marinara sauce, to be frozen. Tim will also be making his special tomato and provolone tart. He is as much at home in the kitchen as in the garden. "I like to be in the kitchen and in the dirt," he says. He does most of the cooking in the family and says his culinary skills come from both his mom and his dad.

For the past 20 years, Tim and JoAnn have been members of a gourmet cooking group. When they were asked to join the group, JoAnn told her husband: "Fine, but you do the cooking."

Each couple hosts a dinner party every year with a different theme. The last dinner party featured Thai food. The Johnstons always host the Christmas party and "go all out." Last year they cooked a goose.

The gourmet group frowns on short cuts. "You gotta go from scratch," says Tim. "If the recipe calls for beef broth, you make the stock."

Since 1984 Tim and JoAnn have lived in the house Tim's grandfather, Lawrence L. Johnston, bought in 1935. Tim, a third-generation Menlo Park resident, attended St.

Raymond School, Bellarmine College Preparatory, and UC Berkeley. He is a career management consultant. JoAnn Villani Johnston also grew up in Menlo Park. She has her own public relations firm, Creekside Communications.

"We go so far back it's scary," says Tim, with a smile.

While enjoying this month's heirloom harvest, Tim already has his eye on next year's garden. "I'm going to start saving seeds (instead of buying plants). I'm kicking it up to the next level," he says. ■

Tomato and White Nectarine Salsa

(Local Realtor Charlene Cogan shared this recipe)

- | | |
|---|----------------------------------|
| 1 large white nectarine, pitted and finely chopped | ¼ teaspoon sea salt |
| 1 large, firm heirloom tomato, chopped; yellow 'Brandywine' and 'Pineapple' varieties work well | ¼ teaspoon freshly ground pepper |
| ¼ cup chopped fresh basil | |
| 2 teaspoon balsamic vinegar | |

Combine nectarine, tomato, basil, vinegar, salt and pepper in a small bowl. Set aside and allow the flavors to mingle. Do not refrigerate. Cold air destroys the flavor of the tomato.

'Taste of Woodside' slated for Sept. 21

By Jane Knoerle

Almanac Lifestyles Editor

For the second year, the Grace Memorial Courtyard of Woodside Village Church will be the setting for "A Taste of Woodside," a major fundraiser for the Rotary Club of Woodside/Portola Valley.

The afternoon of gourmet food and wine will be held from 2 to 7 p.m. Sunday, Sept. 21. The event begins with a reception, where guests visit different stations in the courtyard to sample hors d'oeuvres paired with local wines.

The food stations will feature a variety of offerings, ranging from chilled corn soup with Dungeness crab (John Bentley's) to barbecued fresh oysters (Buck's), to seared ahi on crispy wonton skin (The Mountain House). The Village

Pub will serve chilled gazpacho. The Little Store will prepare Napa cabbage sauteed with bacon bits and mushrooms.

Encore Performance Catering will serve the sit-down dinner, to include beef Wellington, sea bass with fruit salsa, green beans and potatoes Denise. The Mountain House will provide a butter lettuce salad with hearts of palm and artichoke hearts. Woodside Bakery & Cafe will complete the meal with "decadent" cupcakes.

Silent and live auctions will raise money for the club's international and community projects. Rotary has international projects in Bali (student scholarships and school supplies) and Guatemala (school computers and books, a water project, house building). Last year's "Taste of Woodside" raised \$30,000.

Live auction items include a week in a newly built Bali vacation home; four nights in Antigua, Guatemala; dinner for 12 from Encore Performance Catering and Sterling Albert Vineyards; and amethyst crystal bookends from Brazil.

Wines for the event will be provided by Sterling Albert Vineyards, Martella Vineyards, Ridge Vineyards, Thomas Fogarty Winery, Kings Mountain Winery, and Woodside Vineyards.

Jamis MacNiven, owner of Buck's of Woodside, will be the master of ceremonies. Committee members are Allen Cary, chairman, Dave Hyman, Bill Alfano, Ken Hayes, Sandie Pugh and Barbara Schmidt.

Tickets are \$150 each. For tickets and information, go to www.tasteofwoodside.com. ■

EYE CARE NEWS

Presented by
Mark Schmidt
Licensed Optician

PREVENTING ON-FIELD EYE INJURIES

About 600,000 documented sports injuries are reported annually in the United States, and roughly 13,500 of these injuries result in permanent loss of sight. The real tragedy in these numbers is that nearly all of these sports-related eye injuries could be prevented with the use of protective eyewear. While the risk of eye injury should be a major concern to those playing high-risk sports, even non-contact sports such as tennis, golf, and fishing pose risks due to flying objects like racquets, balls, and hooks. To guard against injury, all athletes are strongly encouraged to get themselves fitted for protective eyewear that meets the impact standard required for sporting activities. Protective eyewear is a necessary piece of sports equipment.

Do not assume that one pair of eyeglasses will fit all of your needs. Remember, you have only one pair of eyes, so take good care of them by wearing protective eyewear when playing sports. September is Sports and Home Eye Safety Month. Bring your eyewear prescription to MENLO OPTICAL at 1166 University Drive, on the corner of Oak Grove Avenue and University Drive. We carry a wide selection of eyewear including athletic, occupation, and computer eyewear. Call us at 322-3900.

P.S. Every 13 minutes, an emergency room in the United States treats a sports-related eye injury.

Let's Ask Ann . . .

Dear Ann, No time like the present...

With home prices dropping is it a good time to buy a house? Should we wait until the market improves? Thanks, Robert & Sandy

Dear Robert & Sandy,

Three reasons to buy now: 1) There are studies to suggest that home prices may be at their low and are going up. 2) In a slower market sellers are more amenable to negotiating. 3) There is a lot of inventory to choose from, which translates to lower home prices. It's a buyers market, so take advantage of it!!

All the best, Ann Griffiths

Questions or comments?

Contact Ann at: 650-322-6666 or email: Ann.Griffiths@CBNorCal.com
