Menlo-Atherton graduates Caprice Powell, right, embraces Sophia Kalin after they received their diplomas.

June 3 was the big day for the senior class at Menlo-Atherton High School, whose members picked up their diplomas during a 4 p.m. graduation ceremony.

Courtney Arrington, the senior class president, led the pledge of allegiance to the flag, which had been carried onto the football field by U.S. Marines. The singing of the national anthem followed, led by the school choir under the direction of Patrick Maier.

Senior Kahdijah Ali welcomed the gathering of students, parents, relatives and friends and gave a speech entitled "God's Gift." The speeches that followed were, respectively, "Lift-off 2010!" by Maya Lozinski, "To Underclassmen, Love Senior," by Deonte McCall Jr., "Greatness: Starting From the Kitchen Sink," by Ms. Arrington, and "A Note on Growing Up," by Josh Hubert.

After a recognition of foreign exchange

students, the assembly heard remarks by Principal Matthew Zito, who then presented the class to Don Gibson, a board member of the Sequoia Union High School District, and assistant superintendent and soon-to-be superintendent James Lianides.

M-A staff chosen by the Class of 2010 handed diplomas to graduates as their names were called. With that, and with mortarboard tassels adjusted to reflect the seniors' new

status, the event drew to a close.

Woodside High's class of 2010 says goodbye —

With Gratitude

Woodside graduate **Adrian Johnson**, center, is embraced by (from left) Chris Brown, Dan Nava, Alex Johnson and David Chatman after the ceremony.

As spring fades to summer, the Class of 2010 said goodbye to Woodside High School at a graduation ceremony on Friday morning, June 4.

Audrey Baker, president of the senior class, welcomed everyone after the playing of the national anthem by the school band under the direction of William Tolles.

Ms. Baker introduced Locke Alexander, who gave a speech

called "Wearing Goggles."

Ms. Baker and seniors Kristin Geodicke, Chloe Jury-Fogel and Emily Kruger, the officers of the Class of 2010, presented the class gift: a new sign for the front of the school.

Principal David Reilly introduced the class and 17 valedictorians, who shared delivery of a speech called "Gratitude Debt."

Handing out diplomas were Mr.

Reilly and Sequoia Union High School District officials, including board member Lorraine Rumley and Superintendent Patrick Gemma.

SUNGLASS TINTS

Gray tints are the most popular choices for sunglasses in this country. Because it maintains an even balance throughout the color spectrum, gray is recommended for those who value balanced color. When there is a need to increase visual contrast, brown may be a better choice. Through brown lenses, shades of blue are reduced and greens become more predominant. Their improved contrast provides a slightly better sense of road surface, and they are a good choice for anyone who does a lot of driving.

Much like brown, green tints provide improved contrast over gray without shifting too much of the color balance. When enhanced contrast between colors without much reduction of visible light is desirable, yellow is a good choice.

Sunglasses are a customize product that should meet the facial construction and personal taste of the wearer. In addition to sunglasses lending you an air of mystery, they can also help prevent eye problems such as cataracts and macular degeneration. Visit MENLO OPTICAL at 1166 University Drive, on the corner of Oak Grove Avenue and University Drive, to browse through our display of sunglasses in various shapes and sizes. We carry both prescription and non-prescription lenses. Call us at 322-3900.

P.S. While gray is the preferred color for sunglasses in this country by a wide margin, brown is far more popular in Europe and the rest of the world.

Mark Schmidt is an American Board of Opticianry and National Contact Lens Examiners Certified Optician licensed by the Medical Board of California. He can be easily reached at Menlo Optical, 1166 University Drive, Menlo Park. 650-322-3900.

CITY OF MENLO PARK

ORDINANCE 968 SUMMARY

NOTICE OF ADOPTION

The City Council of Menlo Park adopted Ordinance No. 968 at its regular City Council meeting of May 18, 2010. The Ordinance was introduced on April 27, 2010, and adopted on May 18, 2010, by a 5-0 vote. The ordinance is effective thirty days from its adoption, and is summarized as:

Ordinance of the City Council of the City of Menlo Park Revising Chapter 12.44 "Water Efficient Landscaping" of the Menlo Park Municipal Code to comply with the State's Water Conservation in Landscaping Act. The Ordinance will affect new or rehabilitated landscape areas of 2,500 square feet or more in size that are associated with certain required project approvals (e.g. new building permits for new single family residences). Such projects will be required to submit a landscape application that includes a limitation on turf area or a water budget, including water allowance calculations, hydrozone identification, and irrigation design. Projects are subject to landscape audits and certification by authorized professionals.

The full text of the ordinance and all exhibits are available at the Office of the City Clerk and/or may be viewed on the City of Menlo Park website at www.menlopark.org.

Proposition 65 Warning

L-3 Communications Randtron Antenna Systems operates facilities located at and around 130 Constitution Dr., Menlo Park which uses and emits chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm. We do not believe that any person is exposed to these chemicals at levels constituting a health or safety risk. However, we have not made a formal determination that actual exposure levels are below the Proposition 65 "no significant risk" levels for carcinogens or "no observable effect" levels for chemicals known to cause reproductive harm, and we have not performed a risk analysis to determine the precise amount of exposure that any individual would receive over a 70 year period. Proposition 65 therefore obligates us to provide this warning to potentially effected individuals. Further information may be obtained by contacting L-3 Randtron Antenna Systems at 650-326-9500 Ext. 483.
